

DESIGN YOUR OWN AUSTRALIAN ANIMAL

This animal is going to thrive in Australia, even with a changing climate!

Name of your animal:

.....

What conditions will your animal need to deal with? e.g. hot, cold, wet, dry, fires, floods etc.

Where is its habitat? Trees, ocean, houses, city, desert, beach, river etc

Colour in where your animal lives in Australia

List the adaptations your animal will have (e.g. fins, wings, fur) to survive:

Draw your animal below and label their features

Working together to protect koalas
