Student Worksheet

1.

What benefits does Victoria's Container Deposit Scheme provide...	Think	Pair
...environmentally?		
...socially?		
...economically?		

2. The organisation we have chosen is:

What do they need?	How much does that cost?	How many 10-cent containers is that?

3. What are some different ways we could collect the containers?

4. Our chosen method is:

5. Our Container Fundraising Plan

The organisation:

Who are we collecting containers for?	
Who do we need to talk to from the organisation?	
What is their contact information?	
What do we need to tell them?	

Our school:

Who do we need to talk to from the school?	
What do we need to tell them?	
Do we need to prepare a presentation? What will be in it?	

Our event:

Where will we collect containers?	
When will we collect the containers?	
What will we put the containers in?	
What other things do we need?	
Do we need to store the containers? If we do, where will we store them?	

Depositing the containers:

When will we deposit the containers?	
Where will we deposit them?	
How will we get the containers there?	
What will we do with the containers that can't be returned through the CDS Vic?	

Communicating:

How will we tell people about our fundraising?	
What do we need to tell people?	
Who do we need to share the results with?	
How will we share the results?	
How will we celebrate when we are finished?	

6. What is one challenge we might face with our plan?

What are some ways we could overcome this challenge?
