

Community impact plan proposal

Title of your plan	
Goal of your plan What do you want to achieve with your plan?	
What issue are you addressing? For example, unequal treatment or lack of inclusion.	
What actions will you take? What will you do to try to solve this issue?	
What do you need to make this work? Consider what resources, support and help from others you will need to be successful.	
What will change? What positive effects do you expect from your plan? For example, more opportunities within the AFL.	

Community impact plan proposal

<p>How will you measure success? For example, surveys, feedback from players and staff.</p>	
<p>How will this plan help create positive changes in the future? Think about how it will make the Club better and more inclusive in the long run.</p>	
<p>Why is your plan important? Explain why it matters for the whole AFL community to treat everyone fairly and equally.</p>	
<p>How can you get others involved? Think about how you can get the support of others.</p>
