A black seabird is shown in flight against a bright blue sky with white clouds. The bird is surrounded by numerous colorful balloons in shades of purple, yellow, green, and red. Streamers are attached to the bird's beak and wings. At the bottom of the image, there is a large, tangled pile of colorful streamers in various colors including orange, pink, blue, and green. The overall scene is festive but carries a somber message.

**When  
balloons  
fly,  
seabirds die**
